المقدمة
INTRODUCTION

لماذا هذا الكتاب ؟

يهدف هذا الدليل إلى زيادة مقدرة الدارس والباحث على البحث الدقيق والسريع في شتى العلوم الصحية والعلمية والتعليمية بمختلف أنواعها العلمية والمهنية وذلك باختيار الكلمات المناسبة من قائمة المحتويات التي قرسردها بمدخل الكتاب لكي يستدل الباحث بها للوصول إلى الموقع المناسب الذي يلائم متطلباته . .

ومن هذا المنطلق فقد قدمت للدارس أهم وأعظم المواقع الصحية والعلمية التي قمت باختيارها وتجميعها من أهم آلات البحث والدلائل الموجودة داخل شبكة الإنترنت ومن أفضل الكتب العالمية التي تعمل في تبسيط علوم الإنترنت وذلك لتعزيز هذا الهدف .

ولما كانت المهارة البحثية ضرورية لتبادل الآراء والمعلومات ، وعمل الأبحاث العلمية والتقارير الصحية ، فقد عمدت إلى إضافة مواقع هامة تفيد الباحث في عمل أبحاث ورسائل الماجستير والدكتوراه بسهولة ويسر وذلك بالإطلاع على أهم المواقع الخاصة بهذه الأبحاث من مختلف دول الشرق والغرب وأهمها الولايات المتحدة الأمريكية وبريطانيا ، فنحن وبغض النظر عن النواحي السياسية محتاجون للإطلاع على أبحاث هؤلاء الدول وذلك لما يتمتعون به من قدرات اقتصادية وتكنولوجية تتيح لهم فرصة عمل الأبحاث وإنتاج تقنيات جديدة يومياً . فلابد أن نطلع على هذه التقنيات الجديدة من خلال مواقعهم بالإنترنت . . .

ويقدم هذا الدليل نموذجاً طيباً لروح الإطلاع وحب البحث الدائم لما هو مفيد وبناء لقيام بلادنا العربية والإسلامية على الرقي العلمي والتكنولوجي والبعد عن ما هو هدام لأصول الدين والخلق وذلك بما يفعله بعض مستخدمي شبكة الإنترنت للبحث عن مواقع الإباحة ومواقع غرف المحادثات مما يضيع عقولهم ووقتهم .

فقد لجأنا لتحقيق هذه الغاية إلى إطلاع الدارس على كثير من المواقع العلمية والصحية الخاصة بمجتمعنا العربي والإسلامي ولكن بلغة الناطقين بالإنجليزية في هيئة لمحات ثقافية . ليس هذا فحسب ، بل لقد عمدت إلى تقديم مفردات المحتويات في أسلوب مميز موجه بالدرجة الأولى إلى عالم الصحة والعلوم الدولية .

كما يحتوى هذا الدليل على مواد كافية ومعادلة لدراسة أي علم صحي أو علمي ، إذ هو يفترض على الباحث أن يقوم بالبحث بهذه المواقع في زمن لا يتعدى الخمس دقائق للوصول إلى غايته بدلاً من أن يأخذ وقتاً ما لا يقل عن عشر ساعات للوصول إلى نفس الغاية إذا قام بالبحث بنفسه داخل ملايين المواقع التي بداخل شبكة الإنترنت . .

يشترط على من يرغب في البحث داخل هذا الدليل أن يكون ملماً باللغة الإنجليزية . .

وحتى يطمئن الباحث أو الدارس على الأخذ بهذه المواقع ، له الحق أن يعرف أن مقدم هذا الدليل حاصل على بكالوريوس العلوم جامعة الإسكندرية ، ثم درس مواد ماجستير تكنولوجيا المعلومات ومواد ماجستير الدراسات البيئية بمعهد الدراسات العليا والبحوث ، ثم حصل على دبلومة متخصصة في الإنترنت من الولايات المتحدة الأمريكية . .

IN THIS BOOK

The best Web Sites of:

- AIDS / HIV
- Alternative Medicine
- Childcare AND healthcare
- DEATH AND DYING
- Diabetes, Fitness and Nutrition
- Dentistry
- Disabilities & Disorders
- Diseases and Conditions
- Free books online for Doctors
- Health Advices
- Health Information for research
- History of medicine
- Institutes and hospitals
- Medical Libraries and Publications
- Medicine Dictionaries and Software
- Online Databases
- Men's Health and Women's Health
- HEALTH WORLD WIDE

كيف تبحث في هذا الكتاب:

لقد قمت بسرد قائمة المحتويات contents حسب رقم الموقع وليس رقم الصفحة ليسهل على الباحث الوصول إلى عنوان رئيسي أكثر دقة وتحديداً للمعلومة أو الكلمة التي يريدها الباحث . .

وقد تم سرد جميع المواقع وشرحها باللغة الإنجليزية لأن البحث داخل شبكة الإنترنت يعتمد على هذه اللغة . . فالأفضل أن تتعلم وتبحث بهذه المفردات .

أسأل الله العلي العظيم أن يكون هذا العمل مفيداً ونافعاً وبناءاً لكل الباحثين العرب ، وأن يجعله الله سبحانه وتعالى في ميزان حسنات والدي رحمه الله ، وبهذا العمل أدعو الله أن يغفر ذنوبنا ويسدد ديوننا ويشفي مرضانا ويرحم أمواتنا ويهلك أعدائنا وينصرنا على القوم الظالمين . .

وآخر دعوانا أن الحمد لله رب العالمين

CONTENTS

PART (I)

PART (II)
HEALTH WORLD WIDE

PART I

ABORTION

1. Abort.com
http://www.abortionclinic.org
Reproductive choices and information. Users can search for providers of various reproductive services, including adoption, abortion (medical or surgical), or family planning.

2. Abortion Alternatives
http://www.adoption.com/
Offers information about alternatives to abortion, such as adoption and single parenting, and provides chat rooms and counseling. You can buy books about adoption and childrearing as well as toys, and other items for your adopted child.

3. Abortion Clinics On-Line
http://gynpages.com/ACOL/choice.html
Abortion Clinics On-Line (ACOL) is a directory service comprised of providers of abortion and other reproductive health care.

4. ACLU Reproductive Rights
http://www.aclu.org/issues/reproduct/hmrr.html
Plenty of information about the ACLU's position on reproductive freedom, including regularly updated news on abortion, court cases, legislation, recommended book list, ACLU materials on abortion, and links to other sites.

5. Ask Noah About: Pregnancy, Fertility, infertility, Contraception
http://www.noah-health.org/
Extremely comprehensive site provided by New York Online Access to Health (NOAH). Information is provided on virtually any and every topic or question you might have regarding reproduction and parenting. The site has a no frills look, but is well organized and chock-full of useful information.

6. Ethics Updates
http://ethics.acusd.edu/abortion.html

A comprehensive resource of information regarding current legislation on abortion, public opinion poll results and statistics, and links to other Web sites that take a stance on abortion.

7. Fast Track Index

http://www.mariestopes.org.uk/fast_track_index.html

This site covers abortion from A to Z, including countries offering this service; obtaining an abortion in the United Kingdom, Ireland, or overseas; and an abortion FAQ. Additional information covers breast health care, contraception, infectious diseases, and more.

8. National Abortion and Reproductive Rights Action League

http://www.naral.org/

This site offers a pro-choice perspective on abortion and allows you to join the advocacy group. You can contribute your efforts and make donations to help ensure that women have a choice.

9. National Abortion Federation

http://www.prochoice.org/

This site divided into the following categories: If you're Pregnant, Abortion Fact Sheets, Taking Action/On the Issues, News/Media Center, Clinic Violence, Resources for Providers, Providers & Patients Speak, About NAF, Join NAF, Contribute, and Feedback.

10. National Coalition of Abortion Providers

http://www.ncap.com/

NCAP is a pro-choice organization that represents the political interests of more than 200 independent abortion providers throughout the United States.

11. National Right to Life

http://www.nrlc.org/

This site offers a pro-life perspective on abortion. This organization is one of the largest pro life groups in the United States. The site includes information about what you can do to help support the cause.

12. Religious Tolerance

http://www.religioustolerance.org/abortion.htm

A site that tries to remain objective on this controversial topic, providing an overview of the abortion issue, basic facts about pregnancy and

abortion, laws concerning abortion, and methods of preventing unwanted pregnancies.

13. Reproductive Health and Rights Center
http://www.choice.org/resources.html
The CARAL pro-Choice Education Fund Virtual library offers information from different sources on topics ranging from medicine to sexuality to legal issues concerning reproductive rights.

14. Teenwire
http://www.teenwire.com/
Planned Parenthood designed this to answer the questions and concerns of teens and their families. It addresses birth control for teens, body changes, dating and relationships, staying health, testing your sex IQ, and helps you figure out what to do if you're pregnant.

15. WCLA-Newsletters
http://wcla.org/newsletter.html
This site for the Westchester Coalition for Legal Abortion, Inc. (WCLA) is oriented toward pro-choice people and is dedicated to protecting abortion rights in America.

ADDICTIONS

16. Addictions & More
http://www.addictions.net/
Developed to provide information and education about addictions, discussions on the site center on drug and alcohol abuse, eating disorders, and gambling.

17. Web of Addictions
http://www.well.com/uesr/woa/
With a goal of providing accurate information about alcohol and other addictions, this site offers factual information about the prevalence of addiction, treatment, local meetings and groups, where to get help, and an in depth look at related issues associated with addiction.

ADD / ADHD

18. A.D.D.Clinic
http://www.addclinic.com/
Visit this site to learn more about the treatment of ADD/ADHD, associated conditions, such as Tourette Syndrome, distinguishing

between ADHD and bipolar disorder, and many other issues surrounding the condition.

19. A.D.D. Warehouse
http://www.addwarehouse.com/
This site features an online catalog of books, videos, training tools, games, and assessment products on ADD and ADHD and related problems for parents, educators, health professionals, children, and adults.

20. ADD Help
http://www.addhelp.com/home.html
This site offers Attention Deficit Disorder solutions for teachers and parents of ADD/ADHD kids.

21. ADD/ADHD Links Page
http://user.cybrzn.com/~kenyonk/add/Links/
This page offers myriad annotated and categorized ADD/ADHD links as well as a link to a page with all the links listed alphabetically. The list includes links to sites about different facets of living with ADD/ADHD.

22. ADDMed For ADD/ADHD Information
http://wwwaddmed.com/
Use this site to find out about ADD and learning disabilities, and get answers to frequently asked questions. This site contains a lot of links, and you can search for the information you need. Other features include the L-ADD Assessment Wheel

23. ADHDNews.com
http://wwwadhdnews.com/
This site offers a wide variety of information on ADD/ADHD for parents, adults, and teachers in coping with the disorder.

24. F.U.N. Place Chat Schedule
http://www.thefunplace.com/chat/sunday.html
Users can support one another and share their experiences with adult and child ADD and ADHD, including swapping information about traditional and alternative medications.

25. Internet Special Education Resources
http://www.iser.com/
This site focuses on helping parents find local special education professionals that can help with learning disabilities and attention deficit disorder assessment, therapy, advocacy, and other special needs.

26. National Attention Deficit Disorder Association
http://www.add.org/
This is an extremely comprehensive site on the topic of ADD, including the following categories: ADD Information, ABC's of ADD, ADD Research, ADD Treatment, ADD Coaching, Books on ADD, Family Issues, Kid's Area, Legal Issues, School & ADD, Support Groups, Teen's Area, Web Sites, Women & ADD, Work & Career, ADD Interviews, Creative Corner, Myth of the Week, Personal Stories, and ADD Book Store.

27. Newldeas.net
http://www.newideas.net/p0000374.htm
This site provides more than 80 pages of information for parents and health professionals, including access to an ADHD library of information, diet information and examples, and a newsletter.

28. Talk City
http://talkcity.com/calendar/category/parenting.htmpl
Explore the ins and outs of raising a child. You will find specific content related to raising a child with ADD/ADHD. This site offers one time focused chats about specific topics so check back often to see what is coming up and perhaps participate in those chats that interest you.

AIDS / HIV TREATMENT AND PREVENTION

29. AIDS Education and Research Trust
http://www.avert.org/
This site contains HIV and AIDS statistics, information for young people, personal stories, a history section, information on becoming infected, a young and gay section, free resources, and lots more. This site can also be translated into several different languages.

30. AIDS Outreach Center
http://www.aoc.org

This organization, based in Fort Worth, TX, has one of the most complete resource listings available online for HIV/AIDS.

31. AIDS Virtual Library
http://www2.actwin.com/aidsvl/
Sponsored by Planet Q, this site deals with sociopolitical and medical topics related to HIV and AIDS prevention and treatment. An ample site list is provided for jumping off to other related sites.

32. The Body: A Multimedia AIDS and HIV Information Resource
http://www.thebody.com/
In addition to selected coverage of AIDS, HIV, and related issues in the news, this site provides various forums with questions answered by a team of medical experts.

33. Children With AIDS Project
http://www.aidskids.org/
Children with AIDS project of America is a publicly supported nonprofit organization, providing support, care, and adoption program for children infected with HIV/AIDS.

34. HIV InfoWeb
http://www.infoweb.org/
An online library containing HIV and AIDS related information.

35. HIV/ALDS Treatment Information Service
http://www.hivatis.org/
Sponsored by six Public Health Service agencies, this site provides information about federally approved treatment guidelines for HIV and AIDS.

36. The International Council of AIDS Service Organizations (ICASO)
http://www.icaso.org/
This organization's purpose is to unite and support community based and nongovernmental AIDS organizations around the world.

37. Marty Howard's AIDS Page
http://www.smartlink.net/~martinjh/

Marty Howard is a man living with AIDS. This page is designed and updated by him to help you find as much HIV/AIDS related information as possible from one starting place.

38. Project Inform

http://www.projinf.org/

Project Inform has maintained one primary focus: to remain dedicated to providing free, confidential, and empowering information about HIV/AIDS to anyone who asks, as well as speeding the search for a cure.

39. Stop AIDS Project

http://www.stopaids.org/

Based in San Francisco, CA, this organization's aim is to reduce the transmission of HIV and help the community of "self identified gay and bisexual men" Educational materials and training manuals are free for downloading and adaptation .

ADVICE

40. Advice From Ann Landers

http://www.creators.com/lifestyle/landers/

Stay current on advice from Ann Landers at this site, which features the familiar Q&A format you see in the newspaper.

41. All Experts

http://www.allexperts.com

Ask question of a volunteer expert on virtually any topic, from arts and entertainment to relationships to business, and more for free.

42. Ask an Expert

http://www.askanexpert.com

Find an expert at this site who has volunteered to answer your questions. Search the site for an appropriate expert to respond to your query and then be connected to the expert's Web site to learn more about your area of interest, as well as ask your question.

43. Ask Heartbeat

http://www.askheartbeat.com/

Every two weeks Ms. Heartbeat answers questions submitted about relationships, dating, marriage, and love. You might get your question answered, but if not, you can scan previously asked questions and answers for guidance.

44. Ask the Experts-Women's Wire
http://www.womenswire.com/talk/experts.html
Get advice from online experts on the topics of relationships, sex, and career at this site, as well as joining in chats and message boards for more discussion.

45. Dear Abby
http://www.uexpress.com/ups/abby/
Write to Dear Abby, read her latest column, or search past columns in the archive at this site, where you also can buy books by Abigail Van Buren.

46. EHow
http://www.ehow.com
Use eHow to find out how to do anything, from asking someone out on a date to boiling an egg-two of the recent top 10 eHow questions.

47. Go Ask Alice!
http://www.goaskalice.colummmmmmmbia.edu/
Alice! Is the Columbia University Health Service's online nurse, essentially. Designed to provide health information, you can Ask Alice! A health question, search past Q & A's, or search Alice !'s database for health information on your own.

ALTERNATIVE MEDICINE

48. Alternative Health E-Mall
http://www.herbsplus.com/
Geographical and specialty listing of alternative medicine providers, herb and vitamin sources, and organic food stores. Also provides information on the use of herbs and alternative medicines.

49. Alternative Medicine
http://www.alternativemedicine.com
Check out alternative health products, catch up on the latest news about alternative therapies, search the database of more than 6,500 pages, and find local providers through the online Yellow Pages.

50. Alternative Medicine Chat
http://communities.msn.com/medical/chat.asp

Go online to chat with others interested in acupuncture, aromatherapy, or holistic medicine. Requires MSN Passport.

51. Alternative Medicine Connection
http://www.arxc.com/arxchome.htm
This site is dedicated to the scientific and political interests of the holistic health community. It offers help in finding a holistic practitioner (Med Search), the latest news (Health Hotline), the National Examiner's weekly column on alternative medicine , information on traditional Chinese herbal medicine (Herb Sway), holistic health associations, and more.

52. Alternative Medicine Newsgroups
http://www.lycos.com/health/newsgroups.html
This directory of newsgroups includes a link to a listing of alternative health newsgroups focusing on things such as biofeedback, holistic health, and oxygen therapy.

53. Alternative Medicine/Unconventional Therapy
http://www.mel.lib.mi.us/health/-health-alternative.html
Gives you tips on deciding whether alternative therapy is right for you. You'll see subjects such as acupuncture, hypnosis, herbs, and biofeedback. You'll also get tips on avoiding fraudulent, unproven health treatments.

54. Explore Publications
http://www.explorepub.com/
Written for medical professionals and researchers, Explore Magazine provides information and reports on alternative and holistic medicine, nutritional therapies, homeopathy, and energy medicine. Learn about topics in the current issue or scan topics in past issues.

55. General Complementary Medicine References
http://www.forthrt.com/~chronic/
Provides links to Web pages, networks, discussion groups, mailing lists, e-zines, journals, and newsletters. You'll find information on psychology, religion, philosophy, wellness programs, music therapy, metaphysical approaches, education, institutions, and other alternative therapies.

56. HANS: The Health Action Network Society

http://www.hans.org/

This site covers current issues such as acupuncture, chiropractic topics, diseases, fluoride, food, government, pesticides, vitamins, and water. You'll find offers on films, books, and videos for sale.

57. He@lth At Health, Inc.

http://www.athealth.com/AndersonArne_1.html

Very information site. Offers all of resources and links to articles on various health conditions. Well worth reading is Biofeedback: Managing Stress With Biofeedback by Arne Anderson, BA, BCIAC. The article covers the methods and instruments used in biofeedback.

58. Health Care Information Resources Alternative Medicine

http://www-hsl.mcmaster.ca/tomflem/altmed.html

Explores various alternative therapies. Gives you links to information on holistic healthcare. Also provides information on events, seminars, workshops, practitioners, and books.

59. Health News

http://www.altmedicine.com

Offering the most up to date news and information about alternative medicine, the site covers a variety of approaches, counseling visitors to be cautious when reading about untried or unproven methods.

60. Health World

http://www.healthy.net/clinic/therapy/

Turn to the experts at this site for answers to your alternative medicine questions, or rely on the resource center for information. You can also participate in online discussions and sign up for the free newsletter.

61. Life Matters

http://www.lifematters.com/

These pages are designed for easy access and reading with many interactive features on such topics as counseling, biofeedback, physical education and Tai Chi. Excellent site!

62. Natural Health and Longevity Resource Center

http://www.all-natural.com/index.html

Provides alternative and holistic approaches to healing and the exposure of health hazards in modern society. You'll get information on articles, health news updates, nutrition, recommended books, and links to other health sites. Inclndes an herbal reference library.

ACUPUNCTURE

63. Acupuncture BioEnergetic Information & Services
http://www.abeis.com/
This site provides articles on acupuncture and homeopathic herbal medicine treatments, as well as the opportunity to submit questions to an expert.

64. Acupuncture.com
http://www.acupuncture.com/
This site features information for the practitioner, student, and the patient in different areas of traditional Chinese medicine. Also provides current events and news concerning laws that affect the practice of traditional Chinese medicine.

65. Alternative Medicine Online
http://library.thinkquest.org/24206/acupuncture.html
This site contains general information about acupuncture from a Traditional Chinese Medicine perspective. Categories include Description, Method, Common Cures, Application, Modern Medicine's Perspective, Case Studies, and Links and Resources.

66. American Academy of Medical Acupuncture
http://www.medicalacupuncture.org/
This site provides information on medical acupuncture and how to find an acupuncturist.

67. American Acupuncture
http://www.americanacupuncture.com/
Visit this site for information on incorporating alternative oriental medicine with Western living. Learn how to address such problems as smoking weight gain, and addictions through acupuncture.

68. Art of Acupuncture

http://www.vjc.edu/academics/faculty/taylor_laura/nurs15/torgeson_rachel/Acupuncture/

This site provides information about acupuncture and its practice. An in depth resource for those wanting to stare their own practice.

69. China Guide

http://www.china-guide.com/

The China Guide offers acupuncture books and software, the most authoritative audio

Visual teaching materials, and an online source of information related to Chinese culture.

70. MedWebPlus: Acupuncture

http://www.medwebplus.com/subject/Acupuncture.html

Search the enormous healthcare databases free to learn more about acupuncture and other alternative therapies.

71. National Sports Acupuncture Association

http://www.sportsacupuncture.com/

The National Sports Acupuncture Association is dedicated to promoting the use of acupuncture and alternative health remedies for both preventing sports injuries and improving athletic performance. This site offers general information about sports medicine acupuncture as well as information on upcoming events, becoming a member, a discussion board, and access to their library of articles and videotapes (For a Fee).

AROMATHERAPY

72. AGORA

http://www.nature-helps.com/agora/agora.html

Learn more about the use of essential aromatherapy oils for healing and well being by reading the articles available at this site.

73. Amateur Aromatherapy

http://dialspace.dial.pipex.com/town/avenue/as07/_menu.shtml#top/

The site is designed as a nice introduction to aromatherapy for the inexperienced. You can also download a matrix explaining properties of essential oils.

74. Aroma Vitae
http://hometown.aol.com/aromavitae/index.html
Many useful links are offered here, as well as the standard background information on the subject that other sites also feature.

75. Aromatherapy
http://www.edound.com/aroma.htm
This page provides a short review of basic aromatherapy, including history, modern aromatherapy, practical applications, quality, and the future of aromatherapy.

76. Aromatherapy Articles
http://www.halcyon.com/kway/articles.htm
Read articles to learn the benefits of aromatherapy in a wide variety of situations as well as how to use it. You can buy aromatherapy fragrances, diffusers, essential oil blends, and many more items through the online store.

77. Aromatherapy Information
http://www.kevala.co.uk/aromatherapy/contents.htm
Here you can read a prospectus for an accredited diploma course in aromatherapy, and learn more about the basics of aromatherapy, essential oils and their correct usage, and massage blends.

78. AromaWeb
http://www.aromaweb.com/
Read articles about aromatherapy, scan product information and suppliers online, and find aromatherapy books through this resourceful site.

79. Bird's Encyclopedia of Aromatherapy
http://www.imm.org.pl/bird/listl.htm
A huge directory of oils that explains the medical benefits of each essential oil. Lavender, for example, can aid in digestion, genitourinary functions, and circulation, as well as help skin/hair damage and muscle tension.

80. Guide to Aromatherapy
http://www.fragrant.demon.co.uk/

Learn descriptions of essential oils and symptoms that can be reduced through their use.

81. The Healing Spectrum
http://www.inforamp.net/~marcotte/index.htm
Hear about holistic healing, allopathic medicine, and check out a huge list of sites related to medical conditions and diseases.

CHIROPRACTIC

82. At Your Spine
http://www.yourspine.com/
A very inviting resource for online chiropractic help. Explains the topic and history of chiropractic care. Provides help with topics such as wellness, aging, athletes, children, and pain. Offers an interactive body so you can click on the area that bothers you and receive help in self diagnosing your symptoms. Lots of material presented in a visually appealing way and using clear, easy to understand language.

83. Back Pain Resource Center
http://www.backpainreliefonline.com
Those living with back pain might find relief through information available at this site, as well as products to aid in reducing discomfort. Links to other sites and a newsletter are other useful tools here.

84. Back World Online Store
http://www.backworld.ca/home.us.html
Back world specializes in selling products specifically for people suffering from back or neck pain. This includes home seating solutions and office seating solutions as well as all those products to help deal with back problems. This site offers sales in Canadian dollars as well as American dollars.

85. Chiropractic in Canada
http://www.ccachiro.org/
This is the official home page of the Canadian Chiropractic Association and provides the general public with valuable information about chiropractic healthcare.

86. Chiropractic Internet Resources

http://www.holisticmed.com/www/chiropractic.html

A list of chiropractic links can help you find a local practitioner, read about chiropractic care, contact related healthcare organizations, and participate in discussion forums.

87. Chiropractic Online Today

http://www.chiro-online.com/

A "news-zine" for the chiropractic profession and the healthcare community.

88. The Chiropractic Resource Organization

http://www.chiro.org/

This site is both for and maintained by chiropractors. Its use is free, after you register.

89. Chiropractic SOAP Notes

http://www.clinicpro.com/soap.htm

With Chiropractic SOAP Notes software, you can record exam/X-ray results for those patients whose records you need on file, or you can create a full-blown narrative report of your initial exam and X-ray findings for the acting insurance company, attorney or work comp board. Download a working trial version and check it out for yourself, or order a SOAP Notes trial on CD.

90. Chiropractor Directory

http://www.chiropractordirectory.com

This site offers a free search to find a chiropractor in your area by ZIP code, links to insurance companies and workers compensation information, and chiropractic facts section.

91. Chiropractor Finder

http://www.chiropractor-finder.com/

Directory of chiropractors and chiropractic supplies worldwide.

92. ChiroStore online

http://www.chirostore.com/

ChiroStore provides chiropractic and health products for chiropractors and the general public.

93. ChiroWeb
http://www.chiroweb.com/
Of potential interest to chiropractors, chiropractic students, and consumers, this site provides discussion forums, news and information, a database of chiropractic colleges, and links to other resources.

94. Spine-Health.com
http://www.spine-health.com
Read about back pain symptoms, causes, and treatments at this well organized site.

HOMEOPATHY

95. 4Homeopathy.com
http://4homeopathy.4anything.com/
Locate homeopathic physicians, read about homeopathic remedies, and more at this Web guide to homeopathy. Links to Amazon.com and other retail sites.

96. Classical Homeopathic Physician Directory
http://www.homeopathic-md-do.com/
Directory of homeopathic physicians in the Unite States, listed by state.

97. Homeopathic Information Center
http://www.healthy.net/clinic/therapy/homeopat/_info/index.html
Ues the site index for finding information on homeopathy information, events, news, and suppliers. Links to various retail sites.

98. Homeopathic Treatments
http://www.homeopathic.com/ailments/index.html
This site provides educational services, including a section on children's health.

99. Homeopathics FAQs
http://community.net/~neils/faqhom/html
A complete guide to homeopathic remedies. This site provides answers to frequently asked questions (FAQs) about homeopathics.

100. Homeopathy Home Page
http://www.homeopathyhome.com/

This page is a central jumping-off point, aiming to provide links to every related resource available on the alternative medical practice of homeopathy. Provides links to various retail sites.

101. Homeopathy Internet Resources
http://www.holisticmed.com/www/homeopathy.html
A lengthy list of homeopathic links. The links are organized by the type of site they lead to. This site includes addresses for mailing lists as well.

102. Homeopathy Online
http://www.lyghtforce.com/HomeopathyOnline/
An international journal of homeopathic medicine for lay lay persons, students, and practitioners alike.

103. National Center For Homeopathy (NCH)
http://www.homeopathic.org/
At the NCH site, visitors can learn about member ship and catch up on recent research results, as well as look at a copy of the Center's media kit, which features articles about homeopathy in the news.

104. What Are Homeopathic Medicines?
http://www.arnica.com/home/homeopath1.html
This somewhat limited site briefly reviews what homeopathic medicines are and how to use them effectively.

HYPNOTHERAPY

105. Brain.com
http://www.brain.com
Test your brain to find out how you compare to others your age, or read articles on brain functioning at this site, as well as injuries and conditions.

106. Clinical Hypnosis
http://www.athealth.com/Consumer/Farticles/pearson.html
Understanding clinical hypnotherapy by Judith E. Pearson, Ph.D.

107. HypnoGenesis
http://www.hypnos.co.uk/hypnomag/articles.htm

Plenty of excellent articles to keep you busy reading for quite some time, all formatted for easy reading. HypnoGenesis is a magazine for hypnosis and hypnotherapy.

108. Hypnosis and Self Hypnosis

ANTIOXIDANTS

200. Antioxidants

http://www.innerself.com/magazine/Health/Anti_Oxidants_Slow_Down_Aging_Process.htm

Take a Few minutes to read the article from Inner Self magazine. This article helps to clarify the most recent study on antioxidants and aging.

201. Antioxidants For Everyone

http://www.ayurvedaonline.com/antiocidant.html

This site not only gives information about the benefits of antioxidants, but also offers a variety of antioxidant products for sale.

CHILDCARE AND HEALTH

202. Child Care Hot Links

http://nrc.uchsc.edu/list.htm

Pick the letter (A to Z), and you'll find a continuously evolving list of selected Web sites providing health and safety tips and information applicable to childcare settings. For example, you'll find information about bicycle safety under the letter B, hand-washing under the letter H, immunization under the letter I, and so on. There are multiple sites and topics for each letter of the alphabet. Very comprehensive.

203. Child Care PPIN (Parent Provider Information Network)
http://childcare-ppin.com/
Includes information and articles from Child Care Provider Magazine on various health issues as well as a discussion forum to share ideas and problems. You can buy children's books, posters and reproductions of paintings featured on the site through the online outlet.

204. Childcare Directory.com
http://www.childcare-directory.com/
This is a comprehensive site dedicated to providing information on childcare services. The site is oriented around providing resources for childcare providers, au pairs, nannies, and home schoolers. A link is provided for software for managing home based daycare centers. The site also provides a discussion forum on daycare issues, as well as chat rooms related to daycare.

205. Daycare Is For Parents, Not Infants and Toddlers
http://www.bconnex.net/~cspcc/daycare/
Sponsored by the Canadian Society for the Prevention of Cruelty to Children, this site explores societal values and other issues surrounding contemporary childcare and other family concerns.

206. Daycare Providers Home Page
http://www.icomm.ca/daycare/
A superb site for anyone interested in daycare. Established by one provider to share techniques, ideas, problems and solutions, this site offers a wealth of information and resources, including an IRC channel, a variety of craft and activity ideas, and links to a host of daycare related sites-sites for preschool development, preschool activities, daycare businesses and daycare software, and many, many more!

207. EDaycare.com
http://www.edaycare.com

Helpful information on making the right childcare choice, for parents, a database of childcare centers to help you locate a local facility, and access to an online pediatrician who is available to answer your questions.

208. Idea Box: Early childhood Education
http://www.theideabox.com/
The Idea Box is a site presented to offer early childhood education and activity resources. The site contains an extensive set of educational tools, activities, recipes, and other early childhood learning resources. A parenting message board and teacher to teacher discussion group area is also provided.

209. Individual States' Childcare Licensure Regulations
http://nrc.uchsc.edu/states.html
Jst what the title suggests. Click on your state to access the childcare licensure regulations that apply. The site lists each regulation and provides a full-text document so you can read the actual regulation. As indicated, the information is specific to each state. Use this site to prepare to set up your own childcare facility or to see what your state does to ensure the safety and well being of your child.

210. Kiddie CampusU
http://www.kiddiecmpus.com
Kiddie Campus U owns and operates daycare centers in the New York area. In addition to the KCU program and consulting options, the site serves as a primer for daycare considerations and includes a number of kiddie links and resources for the care provider.

People with vision impairment or their caregivers will want to visit this site for information on helpful products, events, and interesting articles. You can also purchase low vision aids here, from writing aids to reading magnifiers.

264. National Association of the Deaf
http://www.nad.org/
Read news about the deaf community, learn about membership in this nonprofit organization, and check out links to other deaf-related sites.

DEAFNESS

265. Animated ASL Dictionary
http://www.bconnex.net/~randys/index1.html

This site offers an animated dictionary for American Sign Language. To see how to sing a word, click the Sign kinks. These will take you to a table with both the English and the manual alphabet. Click on the letter of your choice, then scroll down the list in the frame on the left for desired word. After the sign loads, it will begin to "animate," slowly repeating the sequence four times. Click Links to find other sites related to ASL and deaf culture. You'll find links to WWW resources, articles of interest, businesses, educational resources, nonprofit agencies, search engines, and more.

266. ASL Spelling Study: The Alphabet
http://www.sirius.com/~dub/CALL/asl.html
A very cool finger spelling training tool. You'll need Shockwave and a quick mouse.

267. Deaf Chat
http://www.deafchat.com
A chat community that brings together deaf, hard of hearing, and health individuals to discuss issues, share information, trade jokes, or talk about whatever's on their mind without fear of harassment. The Deaf Chat monitor makes sure of that.

268. Deaf Library
http://www.deaflibrary.org
Created by a Yale doctoral candidate in deaf culture, the deaf resource library is an online collection of reference material and links intended to educate and inform people about deaf cultures in the United States and Japan.

269. Deaf Nation
http://www.deafnation.com
Search a deaf-oriented database for information on just about anything as it relates to the hard of hearing and deaf communities. You can also buy products related to hearing loss and read news about deafness.

270. Deaf Watch
http://www.i-sphere.com/eyedeaf/main.htm
A newsletter dedicated to deaf issues. A lot of good advocacy and legal links.

271. DeafZONE

http://www.deafzone.com/

Chat rooms, links, current events, and information on a wide variety of topics ranging from ADA laws to a workshop calendar. Find relay services and interpreters on this site. It even has a page with some hilarious jokes contributed by members.

272. Gallaudet University, Washington D,C.

http://www.gallaudet.edu/

The world's only four-year university for deaf and hard of hearing undergraduate students.

273. GG Wiz's FingerSpeller

http://www.iwaynet.net/~ggwiz/asl/

This is a must see site. Type a phrase and see it finger spelled, and test your reading skills with hidden phrases.

274. HandSpeak

http://www.handspeak.com/

HandSpeak is the largest, fast-growing popular visual language dictionary online. Check out the baby and international signs, as well as using sign language with animals. This is a very cool site with lots of good information and ideas.

275. HEARx

http://www.hearx.com/

The largest public hearing care company providing a wide range of hearing services.

276. National Association of the Deaf

http://www.nad.org/

Founded in 1880, the NAD is the oldest and largest organization representing people with disabilities in the United States.

277. Oral Deaf Education

http://www.oraldeafed.org/

Home to the Oral Deaf Education Web site. ODF's position is that deaf children can learn to talk by using the hearing technology options available today and the instruction provided at ODF Schools. You will

find specific information about these schools and their programs and services, and other information on oral deaf education in their library. Use the Search or the What's New page to find a specific topic.

278. Starlite CyberBusiness Services
http://www.yellowstar.com/
This company specializes in developing and designing Web sites/pages for deaf clients. Its site lists an impressive client list with links to their sites so you can see examples of their work.

279. World Deaf Connect
http://www.deafconnect.com/
More than 5,000 deaf e-mail addresses to help you connect with others. Click on the map and go to the country you want and get a list of e-mails for that area. Also search the World Deaf Directory for all sorts of businesses, services, schools, clubs, and so on.

EATING DISORDERS

280. Academy for Eating Disorders
http://www.acadeatdis.org/
This site serves as a helpful resource for professionals, offering a calendar of events, links, and conference opportunities.

281. American Anorexia Bulimia Association
http://www.aabainc.org/home.html
Great resource for individuals confronting eating disorders. Also contains information for professionals who treat eating disorders and information for friends and families who are affected.

282. Anorexia Causes
http://www.noah-health.org/english/wellconn/eatdisorders.html
This site helps you understand what factors are likely to perpetuate anorexia nervosa and bulimia.

283. Anorexia Nervosa and Related Eating Disorders, Inc.

HEALTH INFORMATION&RESOURCES

388. 4Physicians
http://www.4physicians.com/
A guide to doctors and hospitals and resources for doctors and patients.

389. AskDrWalker
http://www.askdrwalker.com
Resources and links to medical information. Includes medical databases, medical search engines, diseases and conditions and useful links for health professionals and patients.

390. Best Evidence Topics
http://www.bestbets.org/
Access to evidence-based medicine topics. Includes a searchable database.

391. British National Formulary (BNF)
http://bnf.vhn.net
The twice-yearly source of up-to-date guidance on prescribing, dispensing and administering medicines. Free registration required.

392. CDC Health Topics A to Z
http://www.cdc.gov/health
A listing of disease and health topics from the Center for Disease Control and Prevention in the United States.

393. Centre for Medical Web Research
http://www.cmwr.org/
A virtual centre for researching medical questions on the internet.

394. Disease Conditions and Information
http://www.medindia.net/Patients/PatientInfo/Home.asp
A reference guide for about 100 disease and health conditions in an alphabetical listing.

395. DynaMed
http://www.DynamicMedical.com/
A medical information database with over 2,000 diseases.

396. eMedicine - Consumer Treatment Guidelines
http://www.emedicine.com/general/index.shtml
Textbook on the treatment of common medical problems.

397. Essent Medical Library
http://www.essentmedicallibrary.com/
A patient-oriented health resource provided by the Essent Healthcare system.

398. Family Practice Notebook
http://www.fpnotebook.com/
A compendium of notes on approaches to common problems seen in family practice with supporting references.

399. Family Practice Reference Guides
http://www.familypractice.com/references/referencesframe.htm
ABFPs 19 Reference Guides from FamilyPractice.com.

400. General Practice Notebook (GPnotebook)
http://www.gpnotebook.co.uk/
Database of clinical medicine with a search facility.

401. GlobalNetCare
http://www.globalnetcare.com
Interactive medical expert system that provides information regarding treatment, management and prevention of various health conditions; health news and drug search.

402. Globalrph
http://www.globalrph.com
Provides drug information, intravenous drug dilution standards and online clinical dosing calculators for health care professionals.

403. Health Information Library
http://www.carle.com/HealthGate/default.asp?id=PatientReports
Alphabetical listing of health information topics by the Carle Clinic and Hospital.

404. HealthAmericaOnline.com
http://healthamericaonline.com/
Provides health information for the individual, physician and healthcare employee. Covers information on a variety of medical topics.

405. HealthDigest.org
http://www.healthdigest.org
Directory of resources covering health employment, pharmacy information, nutrition, education, and news.

406. Healthsites UK
http://www.healthsites.co.uk/
A portal to medical and health information for patients and doctors. Access medical and NHS healthcare sites plus news, advice and complementary therapy resources.

407. HospitalWeb
http://www.hospitalweb.co.uk/
Directory of medical resources for professionals.

408. i-Medicine
http://www.maccnet.co.uk/audit/
Collection of clinical audit, governance and informatics resources, articles and tools.

409. Library of the National Medical Society
http://www.medical-library.org/
Links to various journals, online diagnosis, medical textbooks and atlases. Subscription required.

410. MDconsult
http://www.mdconsult.com
Includes reference books, journal search, practice guidelines, patient education and drug information. Subscription required with free 10-day pass.

411. MedCalc
http://www.medcalc.com
A comprehensive collection of online clinical calculators. Includes ABG, GFR, Fluids and BMI calculations and interpretations.

412. MedConnect
http://www.medconnect.com/
Information services with a clinical and practical focus for physicians and other health care professionals.

413. Medicine Online
http://www.medicineonline.net/
A guide to health, offering medical news, health guides, discussion groups, disease information, E-exchange using reverse auction technology for cosmetic surgery, dentistry, ophthalmology and podiatry.

414. Medics Travel
http://www.medicstravel.co.uk
Lists hospitals, charities, NGOs and recruitment agencies around the

world to help doctors, nurses and medical students plan work and electives overseas.

415. Mediresource
http://www.mediresource.com
Information on diseases and conditions, support groups and drug information. Primarily patient-oriented.

416. Mednav.com
http://mednav.com
A guide to resources in medicine and science. Links reviewed by experts, projects with the Journal of the AMA and the journal Science and software tools are offered on the site.

417. My Body
http://www.mybody.ie
Interactive symptom checker, includes details of some possible causes.

418. Physicians Online
http://www.po.com/
Provides physicians with free access to core services, including MEDLINE, email, private physician discussion groups, full text medical news articles, financial news and stock quote services. Membership required.

419. PolyMedicine.com
http://www.polymedicine.com
Clinicians review electronic medical information resources available in any of the following media: browsable WWW sites, downloadable datasets and software or CD-ROMS.

420. Predictonline
http://www.predictonline.com
A testing and awareness site to provide the public and healthcare provider with medical information on various medical conditions.

421. South African Health Information
http://www.sahealthinfo.org
Reviewed, evidence-based health information based on the South African health system.

422. The Doctors Page
http://w ww.doctorspage.net
Links to patient education materials, medical reference sites and medical humor.

423. The Homeless Handbook
http://www.infoxchange.net.au/hhb/index.html
An online manual designed to assist support workers of homeless and similarly disadvantaged people who find themselves in medically challenging situations.

424. The National Center for Health Statistics
http://www.cdc.gov/nchswww/
Comprehensive information on births, deaths, aging, disease classification and other health statistics.

425. TheMediweb
http://www.themediweb.net
Provides a medical dictionary of health information for research and education for health care professionals, academics and the general public.

426. Virtual Hospital
http://www.vh.org
A digital health sciences library at the University of Iowa for health care providers and patients.

427. AMA Health Insight
http://www.ama-assn.org/ama/pub/category/3457.html
Find out more about general health issues, learn more about specific conditions you're experiencing such as back pain or indigestion or create a custom personal health history and gather information related to your situation.

428. Brain.com
http://www.brain.com/
Take the five-minute IQ test and find out how you compare to people of the same age, or learn more about other aspects of your brain, such as your memory. You can also buy brain enhancing products and get information on brain functioning.

429. Health Resource

http://www.coolware.com/health/medical_repoter/_health.html

Provides information about health, stress, sexuality, and many other health problems that people can encounter. You can also offer feedback regarding the site and let the site managers know what you liked or disliked about the articles.

430. Healthtouch

http://www.healthtouch.com/

Provides updates on health, diseases, and wellness and illness; a resource directory guide to organizations and government agencies; access to pharmacies in your community; and a drug search program that enables you to find information about prescription and over the counter drugs.

431. Healthy Ideas

http://healthyideas.com/healing

Prevention's Healthy Ideas is stocked with herbal remedies, vitamin databases, alternative medicine news, advice from naturopathic doctors, and interactive forums. Check weekly for new features on women's health.

432. Medscape

http://www.medscape.com

Targeted at healthcare professionals, this site offers journal articles, up to date research, and daily summaries, as well as access to articles, discussions, images, and self assessment tools.

433. MSN Health

http://www.health.msn.com

Search for medical news and articles, find out the latest thinking in various treatments and preventive measures, and chat with others a bout issues on your mind, such as diabetes, hypertension, or whatever is the topic of the day.

434. National Safety Council

http://www.nsc.org/

Information at this site is focused on preventing accidents, such as those involving cars and other machinery. There's a phone number listed that

you can call to report someone who routinely lets their children ride without a seat belt.

435. OnHealth

http://www.onhealth.com/home/index.asp

You'll find articles, news, and tips for improving your health and well being, with particular attention paid to the health of women. Useful information, especially for people striving for balance in their life.

436. World Health Network

http://www.worldhealth.het/

Dedicated to health, vitality, and longevity. Contains information on antiaging, nutrition and exercise, and traditional and alternative healthcare.

437. Your Surgery

http://www.yoursurgery.com/index.cfm

Before you go under the knife you'll want to visit this site to learn more about a procedure. You can read about it, hear how it's done, and watch animated images of exactly what will occur during your surgery.

HEALTHCARE

438. Aspen Publishers, Inc

http://www.aspenpud.com/

For more than 40 years, Aspen Publishers has served the needs of legal business, and health care professionals with timely books, periodicals, and information services by leading authorities.

439. BONES: The Biomedically Oriented Navigator of Electronic Services

http://bones.med.ohio-stat.edu

As part of Ohio State University, this site provides faculty, staff, and students in the health sciences with a starting point for Internet exploration. There are databases, articles, and reference materials available at this site.

440. Health Economics

http://www.healtheconomics.com/

Lists national and international links to biotech firms, medical libraries, journals, employment opportunities, and health databases.

441. Internet Medical Products Guide
http://www.medmarket.com/index.cfm?
Provides a database of medical product sales and technical information for healthcare providers. Many links to retail sites.

442. Physical Therapy WWW Page
http://www.mindspring.com/~wdrock/pt.html
Provides general information about physical therapy, including research, treatment, typical work setting, specialization, and credentials.

443. Practice Builders
http://www.practicebuilder.com
Have your ad critiqued by an expert at this site, dedicated to helping you improve the marketing of your medical practice. Lots of helpful marketing advice.

HEALTH INSURANCE

444. PacifiCare
http://www.pacificare.com/
This site is geared to anyone who wants to assess his or her own health or learn more about HMOs.

445. Worldwide Med
http://worlde-med.com/
Independent insurance brokers offering temporary medical plans for both domestic and international needs. This is a great site for those who are between jobs and don't have access to group insurance benefits.

HISTORY - Medical History

446. A Bibliography of Greek and Roman Medicine
http://medweb.bham.ac.uk/histmed/biblio.html
Bibliography compiled by Robert Arnott of University of Birmingham. Useful, but few links to full text. Last updated February 2002

447. A History of Cardiology
http://www.uihealthcare.com/depts/medmuseum/galleryexhibits/beatgoesonhistory/beatgoesonhistory.html
University of Iowa online exhibition from 1990. Traces the interwoven history of medical knowledge and technological advance from Galen's early description of the circulatory system to modern breakthroughs in prevention, diagnosis and treatment

448. A political history of the NHS - sample of full text (PDF)
http://www.oup.co.uk/pdf/0-19-925110-X.pdf
This is a 64 page sample from the new edition of National Health Service - A Political History, Charles Webster, Senior Research Fellow, All Souls College, Oxford

449. A Short History of Medical Careers
http://library.thinkquest.org/15569/hist-1.html
From prehistoric shamanism to the 20th Century specialist.

450. A Visit to the Museum of Contraception
http://www.salon1999.com/07/features/contra.html
Salon Magazine reviews a Toronto museum dedicated to the history of the prevention of pregnancy.

451. Ambrose Pare - Journeys in Diverse Places
http://www.bartleby.com/38/2/
Writings of the 16th Century French battlefield surgeon Ambrosia Pare. Recounts experiences from various battles over a thirty year period including medical procedures in the field. Citation: Paré, Ambroise.

452. American Association of the History of Medicine
http://www.histmed.org/
An academic society devoted to the history of medicine and health in all of its aspects.

453. Ancient Medicine/Medicina Antiqua
http://www.ea.pvt.k12.pa.us/medant/
Chronicles the practice of Medicine in the Greek and Roman eras, with translations of works by Hippo crates and Galen as well as essays, bibliographies, mailing lists, and other resources.

454. Anesthesia History
http://www.anes.uab.edu/aneshist/aneshist.htm
Index to history of anesthesia resources on the Web

455. Anesthesia History Association
http://www.anes.uab.edu/anesthesia_history_association.htm
Website of the Anesthesia History Association

456. Antique medical instruments
http://www.antiquescientifica.com/
A medical antiques resource site for the historian, collector, & seller of medical, surgical, dental, and Civil War antique medical artifacts.

457. Arabesco
http://www.arabesco.co.uk
Arab and Muslim heritage and their contributions to science and knowledge. In the fields of medicine, pharmacy, zoology, botany, mathematics, applied science, chemistry, geography, engineering, architecture, art, literature, education, libraries, and the influence of Muslim scientist and scholars on the world specially on the west.

458. Aztec Medicine
http://northcoast.com/~spdtom/a-med.html
An essay on how the rigid Aztec culture affected physical and mental health.

459. Bibliography of Secondary Works in the History of Medicine & Related Health Fields
http://www.medlib.iupui.edu/hom/biblio.html
This is a non-critical electronic bibliography to acquaint the user with monographs and classic works in the field of American history of medicine and related topics.

460. Bulletin of the History of Medicine
http://muse.jhu.edu/journals/bulletin_of_the_history_of_medicine/
Official publication of the American Association for the History of Medicine.

461. Centre for the History of Medicine

http://medweb.bham.ac.uk/histmed/
Established at the University of Birmingham in 2000 to bring together and promote teaching and inter-disciplinary research in the history of medicine and help develop the Medical School's rapidly growing reputation in the field.

462. Centre for the History of Science, Technology and Medicine at the University of Manchester
http://www.chstm.man.ac.uk/
The Center for History of Science, Technology and Medicine at Manchester University is one of the largest of its kind in the UK. It offers MA, MSc, PhD and intercalated BSc programs, a wide variety of course options in the history of science, technology and medicine as well as excellent resources for research in these fields.

463. Classical Islamic Biomedicine
http://www.mic.ki.se/Arab.html
Index website maintained by the Karolinska Institute.

464. College of Physicians of Philadelphia History of Medicine Library, Programs, and Fellowships -
http://www.collphyphil.org/libwood.htm
Access to one of Americas premier research collections in the history of medicine. Information about programs and fellowships organized by the Wood Institute for the History of Medicine.

465. David Grove
http://mywebpage.netscape.com/davidigrove/DavidGrove.htm
Dr. Grove is the author of "A Human History of Helminthology", "Strongyloidiasis: a major roundworm infection of man" and "Alternative Medicine: fact or fiction?".

466. Dietetic fragments of Rufus of Ephesos in Syriac language
http://www.fak12.uni-muenchen.de/sem/Rufus.pdf
This site contains an edition of dietetic fragments of Rufus of Ephesus in Syriac language, together with German translation and commentary. PDF (1,3 MB)

467. Directory of History of Medicine Collections (NLM) -
http://www.nlm.nih.gov/hmd/directory/directoryhome.html

The collections described in this Directory provide research, reference, and interlibrary loan services to scholars interested in the history of the health sciences, including medicine, dentistry, veterinary medicine, nursing, and pharmacy.

468. Dittrick Medical History Center and Museum -
http://www.cwru.edu/artsci/dittrick/home.htm
Information on medical artifacts, reference materials, rare books, archives, photographic collections.

469. Dr. Samuel Overton, 19th Century Rural Physician -
http://www.rootsweb.com/~txsmith/Pioneers/Childress/toc.html
Comprehensive study of the life and work of a rural East Texas physician in the last half of the nineteenth century. Based on over 12,500 entries transcribed from his journals.

470. ECG timeline - History of the electrocardiogram -
http://www.ecglibrary.com/ecghist.html
12-lead ECG library, A brief history of electrocardiography from 1600 onwards. Find out how electrocuting chickens (1775), getting laboratory assistants to put their hands in buckets of saline (1887), taking the ECG of a horse and following it to the slaughterhouse (1909), induction of indiscriminate angina attacks (1931), and hypothermic dogs (1953) have helped to improve our understanding of the ECG as a clinical tool. And why is the ECG labeled PQRST (1895)?

471. Edward Jenner Collection at Bartleby.com -
http://www.bartleby.com/people/Jenner-E.html
Brief overview of the life and work of Edward Jenner at Bartleby.com. Links to full text of An Inquiry Into the Causes and Effects of the Variolæ Vaccinæ, Or Cow-Pox. 1798; Further Observations on the Variolæ Vaccinæ, or Cowpox. 1799; and A Continuation of Facts and Observations Relative to the Variolæ Vaccinæ, or Cowpox. 1800

472. Elizabeth Blackwell - That girl there is doctor of medicine -
http://www.nlm.nih.gov/hmd/blackwell/index.html
This is an online version of an exhibit held at the National Library of Medicine, National Institutes of Health, Bethesda, Md., Jan. 23-Sept. 4, 1999

473. Every Man His Own Doctor
http://www.librarycompany.org/doctor/everyman.html
An online exhibit on Popular Medicine in Early America, from Colonial times to the mid 19th Century.

474. Flash-Med:Medicine history and trivia
http://www.flash-med.com/Flash-Med-Trivia.asp
Medical education resource with facts and trivia about the history of medicine in a question and answer format.

475. Global Project on the History of Leprosy
http://www.leprosyhistory.org
The International Leprosy Association is developing a database of leprosy archives around the world.

476. H-GIG Medicine and Public Health links.
http://www.ucr.edu/h-gig/hist-science/medic.html
Useful links from the University of California, Riverside.

477. Hartford Medical Society
http://library.uchc.edu/hms/
The Society provides an excellent medical library of historical significance and sponsors the Menczer Museum of Medicine and Dentistry in conjunction with the Hartford Dental Society.

478. Health Service Development and History
http://www.healthservice.info/
Current developments in the British NHS, follow up to Geoffrey Rivett's Book, From Cradle to Grave

479. Hilary Koprowski, M.D.
http://www.koprowski.net
This site is dedicated to the career and work of Dr Hilary Koprowski in the field of microbiology, including his pioneering work on live polio vaccines.

480. Historical Medical Digital Library of the College of Physicians of Philadelphia
http://www.collphyphil.org/HMDLSubweb/indexhmdl.htm_1.htm
Title pages, contents pages, indexes, illustrations, and extracts from the text of many books available online.

481. History of Anaesthesia
http://www.johnpowell.net/
GASMAN - A Personal History of Anesthesia; A memoir and commentary by English anaesthetist John Powell. It also includes other articles on the History of Anesthesia.

482. History of Biomedicine
http://www.mic.ki.se/History.html
categorized links, maintained by the Karolinska Institute

483. History of Biomedicine: Indigenous Cultures
http://www.mic.ki.se/Indig.html
Numerous links to web pages on the contributions of indigenous cultures to the practice of medicine, from pre-history to present.

484. History of the Health Sciences Web Resources
http://www.mla-hhss.org/histlink.htm
List of links maintained by Patricia Gallagher and Stephen Greenberg for the History of the Health Sciences Section of MLA

485. History of the Royal College of General Practitioners -
http://www.rcgp.org.uk/50th/chronology/index.asp
Shows establishment of general practice as a specialty and academic discipline in Britain. Includes background history of general practice, foundation of the College, history of the College and its building and detailed chronology by subject.

486. Images from the History of Medicine -
http://wwwihm.nlm.nih.gov/
Provides access to the nearly 60,000 images in the prints and photograph collection of the History of Medicine Division (HMD) of the U.S. National Library of Medicine (NLM). The collection includes portraits, pictures of institutions, caricatures, genre scenes, and graphic art in a variety of media, illustrating the social and historical aspects of medicine.

487. INHOEP
http://users.unimi.it/~netprev/inhoep.htm
The International Network for the History of Occupational and

Environmental Prevention, who deal with occupational health and the history of medicine.

488. Institute for History of Medicine, Robert Bosch Foundation, Stuttgart
http://www.igm-bosch.de/english/index.htm
The Institutes archives house the private papers of Samuel Hahnemann (1755-1843), of his second wife Mrs. Mélanie dHervilly (1800-1878), and of important students and successors.

489. International Network for the History of Hospitals -
http://www.cf.ac.uk/hisar/people/kw/inhh2.html
The Network exists to promote studies related to the historical evolution of hospitals from their beginnings to the present day by providing an international forum for communication and discussion among scholars interested in the subject. Particular encouragement is given to newcomers to the field.

490. International Society for the History of Medicine
http://www.bium.univ-paris5.fr/ishm/eng/
The International Society for the History of Medicine (ISHM) was founded in Paris in 1921. The purpose of the Society is to assist and support the historical study of all questions relating to the medical and biomedical sciences and, more generally, to all branches of the healing arts.

491. Internet Resources on The Tuskegee Study
http://www.dc.peachnet.edu/~shale/humanities/composition/assignments/experiment/tuskegee.html
Internet Resources on the Tuskegee Study

492. John Snow - a historical giant in epidemiology -
http://www.ph.ucla.edu/epi/snow.html
Life and times of a nineteenth century British physician, prominent in both epidemiology and anesthesiology.

493. Joseph Lister
http://www.bartleby.com/people/Lister-J.html
English surgeon credied with the introduction of antisepsis. Brief biography and extract from his writings.

494. Journal of the History of Medicine and Allied Sciences
http://www3.oup.co.uk/jalsci/

495. London's Hospital System,
http://www.nhshistory.net/London's_hospitals.htm
How London's hospitals were formed and came to provide services to London. eBook of Geoffrey Rivett's history published by Kings Fund in 1986

496. London's Museums of Health & Medicine
http://www.medicalmuseums.org/
London's Museums of Health and Medicine provides information on various medical, clinical and pharmaceutical topics.

497. Mad in America
http://www.madinamerica.com
A history of medical treatments for mental illness, schizophrenia, and other psychiatric disorders, and why those treatments led to the anti psychiatry movement.

498. Mary Seacole
http://www.internurse.com/history/seacole/marymain.htm
History of Nursing

499. MedHist - the gateway to Internet resources for the History of Medicine
http://medhist.ac.uk/
MedHist is a gateway to evaluated, quality Internet resources relating to the history of medicine and allied sciences, covering all aspects of the history of health and development of medical knowledge.

500. Medical Antiques
http://www.antiquelures.com/medical/med.htm
A collection of early medical items featuring cased surgical, medical, and dental instruments from the 1800's to the early 1900's. Included in the collection are various microscopes and medical items of interest.

501. Medical Heritage of Great Britain -
http://www.medicalheritage.co.uk/

Concerns the 'industrial archaeology' of medicine. Produced by the Bath & Wessex Medical History Group

502. Medical Milestones
http://www.indiainfoline.com/phar/mile/arch.html
Indiainfoline presents med milestones giving the major breakthroughs in medical science that took place during the 20th Century.

503. Medicine and Madison Avenue
http://scriptorium.lib.duke.edu/mma/
This website explores the complex relationships between modern medicine and modern advertising, or "Madison Avenue," as the latter is colloquially termed.

504. Medieval medicione - bibliography
http://kuhttp.cc.ukans.edu/ftp/pub/history/bibliographies/medical.txt
useful but not exhaustive

505. MMS - materia medica sinica
http://www.materia-medica-sinica.de/
Online journal for the history of Chinese medicine.

506. National Library of Medicine: History of Medicine Division
http://www.nlm.nih.gov/hmd/hmd.html
Extensive collection of material. Open to the public.

507. Oxford Brookes University: Medical Video Archive
http://www.brookes.ac.uk/schools/bms/medical/
The Medical Sciences Video Archive of the Royal College of Physicians and Oxford Brookes University is a notable collection of videotaped biographical interviews with over 130 important figures in clinical medicine and science from the United Kingdom and Australia.

508. Pictures of Health
http://www.cimm.jcu.edu.au/hist/main.html
Health and public health issues in the 19th century, with sections on "Health of the Body Politic", "Fever", "War's Cruel Scythe", "Quacks and Quackery", and "Populate or Perish".

509. Social History of Medicine
http://www3.oup.co.uk/sochis/
Long running journal of the Society for the Social History of Medicine. Abstracts available free.

510. Spanish American War Medicine
http://www.spanamwar.com/medical.htm
Medical practice in the Spanish American War, primarily by US Army medical staff and DAR Volunteer nurses upon US soldiers.

511. The Birth of the Clinic
http://www.stanford.edu/dept/HPS/BirthOfTheClinic/
Hypertext lecture notes on Foucault's account of the development of modern medicine

512. The History of Dentistry
http://www.edoc.co.za/dhw/history/index.html
The story how dentistry developed through the ages to become the sophisticated medical science of today.

513. The Medicine Museum
http://www.medimuseum.com/
An online exhibit of information and photographs of antique allopathic medicines manufactured during 1915-1955

514. The Museum of Questionable Medical Devices
http://www.mtn.org/quack/
Dubbed "The Quackery Hall of Fame," the museum is the world's largest display of what the human mind has devised to cure itself without the benefit of either scientific method or common sense

515. The origins of Chinese medicine - the early development of medical literature in China
http://www.logoi.com/notes/chinese_medicine.html
A short account of the origins of Chinese medical texts. Written by Imre Galambos (1996)

516. The Rise of Scientific Medicine
http://www.stanford.edu/dept/HPS/154.html
Course notes and presentations from University of Stanford course which

explores the historical development of cultural beliefs and institutions in Western Europe and the United States during the nineteenth and early twentieth centuries which led to the establishment of the modern system of medicine.

517. Wellcome Library for the History of Medicine
http://library.wellcome.ac.uk/
The website of the Welcome Library - one of the great libraries for the history of medicine. The Library, based in London, is open to visitors. This website provides access to catalogues and other resources.

518. Who named it?
http://www.whonamedit.com/
A biographical dictionary of medical eponyms, i.e. medical conditions and techniques and the people for whom they are named.

INSTITUTES

519. Arkansas Children's Hospital
http://www.ach.uams.edu/
Private, non profit institution. Offers children com prehensile medical care from birth to age 21. Available to every county in Arkansas and many nearby states, regardless of a family's ability to pay.

520. KidsHealth
http://www.kidshealth.org
Created by the medical experts at the Nemours Foundation, KidsHealth has trainloads of information on infections, behavior and emotions, food and fitness, and growing up healthy, as well as cool games and animations!

521. Missouri Institute of Mental Health
http://www.mimh.edu/
Highlights the research, education, and multimedia efforts with which the Missouri Institute of Mental Health is currently involved.

522. Radiation Effects Research Foundation
http://www.rerf.or.jp/
Dedicated to studying the effects of the atomic bombings of Hiroshima and Nagasaki during World War II.

TRAVEL RESOURCES

523. AEE Wilderness Safety and Emergency Care
http://www.princeton.edu/~oa/safety/wildsafe.html
This page is sponsored by the Outdoor Action Program at Princeton University, and covers work shops and conferences and lists first aid resources for planning a wilderness trip.

524. Gimponthego.com
http://www.gimpothego.com
Pick up travel tips for disabled individuals on the go, as well as hearing hotel/motel and restaurant feedback from people who've visited. Find out which chains are the best in terms of wheelchair accessibility.

525. Outdoor Action Guide to High Altitude Acclimatization and Illness
http://www.princeton.edu/~oa/safety/altitude.html
Sponsored by Princeton University, this page discusses symptoms, what causes high altitude illnesses, and how to prevent them. Also covers the different types of illnesses.

526. Travel Medicine
http://healthlink.mcw.edu/travel-medicine/
Includes tips on traveling while pregnant and packing a travel medicine kit ; lists environmental hazards such as altitude and motion sickness and auto accidents; and gives an overview of different diseases and vaccinations.

DRUGS AND ALCOHOL

527. Drugnet
http://www.drugnet.net
Dedicated to treating and preventing drug abuse, this site offers prototype assessment tools, online training, help in preparing research grants related to drug abuse, as well as access to databases with prevention and treatment guidelines and tools. Chat and discussion opportunities also are available.

528. World Wide Drugs
http://community.net/~neils/new.html
This site offers links to valuable drug and health information. You can search for information on prescription as well as over-the-counter drugs, and also check out some highly respected online journals and magazines.

529. Narcotics Anonymous
http://www.na.org
Serving as a resource primarily for health professionals, Narcotics Anonymous provides plenty of resource material, including reports, periodicals and access to a database of past publications and news.

SMOKING CESSATION

http://www.nida.nih.gov/

The National Institute on Drug Abuse, established in 1974, works on research and programs to prevent and treat drug addiction. The site features information on the organization including its programs and publications on drug abuse.

551. Partnership For a Drug-Free America

http://www.drugfreemerica.org/

There is a searchable database of drug information at this site. It also includes answers to frequently asked questions about drugs and a section of advice for parents.

552. Prevention Online

http://www.health.org/

Provides information for those people battling substance abuse, or who know someone battling substance abuse. Contains press releases, publications, forums, and calendars of upcoming events.

MEDICAL LIBRARIES

553. Boston University Alumni Medical Library
http://med-libwww.bu.edu/library/home.html
news and information about the library, course research guides, and Internet resources including web pages, directories, and other links.

554. Cambridge University Medical Library
http://www.medschl.cam.ac.uk/library/library.html
Information on collections, services and facilities; access to databases; on-line catalogue.

555. Community Hospital
http://www.colosys.net/~janetn/lib2.htm
Grand Junction, Colorado.

556. Covenant Libraries
http://www.covlibrary.org/
Information and electronic resources.

557. Florida Mental Health Institute
http://www.fmhi.usf.edu/library/statement.html
University of South Florida.

558. George Washington University
http://www.gwumc.edu/library/
Himmelfarb Health Sciences Library, Washington, D.C.

559. Georgia Health Sciences Library Association
http://www.ghsla.org/

560. German National Library of Medicine
http://www.unikoeln.de/zentral/zbibmed/indexengl.html

561. Greenwood Genetic Center
http://www.ggc.org

562. Hartford Hospital
http://www.harthosp.org/library/
Hartford, Connecticut.

563. Harvard University
http://countweb.med.harvard.edu/index.html
Countway Library of Medicine.

564. Health Libraries in Lincolnshire Online
http://www.hello.nhs.uk
Provides information, resources, and services to the NHS in Lincolnshire. The site is aimed at NHS health and social care professionals and students working and studying in Lincolnshire that require support with evidence based practice.

MEDICINE DICTIONARIES

565. Allergy Glossary
http://www.hon.ch/Library/Theme/Allergy/Glossary/a.html
Detailed glossary of medical and scientific terms associated with allergies.

566. Bovine Spongiform Encephalopathy Terms
http://www.defra.gov.uk/animalh/bse/glossary.html
Glossary of abbreviations and words relating to BSE.

567. Brain Injury Glossary
http://www.waiting.com/glossary.html
Medical vocabulary associated with brain injuries.

568. Continuing Education Glossary
http://smhp.psych.ucla.edu/conted/gloss.htm
Glossary of terms, acronyms and laws for educators of students with emotional or behavioral disorders.

569. Dental Terms
http://www.cigna.com/professional/news/glossaries/dental.html
Indexed glossary of dental terms.

570. Diabetes A-Z
http://www.thediabeticdigest.com/glossary.htm
Glossary defining terms that are often used when talking or writing about diabetes. Designed for non-professionals.

571. Diabetes Dictionary
http://www.childrenwithdiabetes.com/dictionary
Online Diabetes dictionary derived from the original one produced by the United States National Institute of Diabetes and Digestive and Kidney Disease. Also has links to related sites.

572. Dictionary Of Holistic Terms
http://www.innerself.com/Magazine/Health/Glossary.htm
Glossary of common holistic health terms.

573. Dictionary of Orthodontic Terms
http://www.bracesinfo.com/glossary.html
Illustrated dictionary of dental terminology.

574. Drug Trade Terms
http://www.whitehousedrugpolicy.gov/streetterms/
Street terms for drugs and used in the drug trade from the United States Office of National Drug Control Policy.

575. Ecological Epidemiology Dictionary
http://www.kings.cam.ac.uk/%7Ejs229/glossary.html
Cross-referenced dictionary of ecological epidemiology terms edited by Jonathan Swinton, University of Cambridge.

576. Electronic Doctor
http://www.edoc.co.za/medilink/dict/
Comprehensive searchable index of medical terminology.

577. English-Chinese Medical Dictionary
http://www.esaurus.org/
Contains thousands of English and Chinese terminology equivalents.

578. Eye Cancer Dictionary
http://www.eyecancer.com/Glossary/gloss.html
Eye cancer related vocabulary with pronunciation guides for individual terms.

579. Glossary of Medical Terms
http://www.medindia.net/glossary/index.asp
Alphabetical listing of medical terms.

580. Glossary of Suicide Terminology
http://members.tripod.com/~LifeGard/index-2.html
Reference for Suicide Survivors, teachers, students, and others seeking understanding for this serious topic.

581. Glossary of Vision Terms
http://www.visiontherapy.com/Glossary_of_Terms.htm
List of terms related to optometry and vision therapy.

582. HIV/AIDS Terms
http://glossary.hivatis.org/index.asp
Searchable glossary of terms related to HIV and AIDS.

583. Human Genome Project Glossary
http://www.ornl.gov/TechResources/Human_Genome/glossary/index.html
Indexed and cross-referenced collection of genetic's terminology.

584. Immunology Terms
http://wwwmicro.msb.le.ac.uk/MBChB/ImmGloss.html
Definitions of immunology-related vocabulary.

585. Insulin-Free World Glossary
http://www.insulin-free.org/glossary.htm
Cross-referenced glossary of insulin-related terminology.

586. KEMC Medical Definitions
http://www.kemc.edu/dictionary.html
King Edward Medical College medical definitions.

587. Med Terms
http://www.medterms.com
Doctor-produced encyclopedic medical dictionary. Quick and easy-access, reliable reference.

588. Medical Abbreviations Dictionary
http://www.media4u.com/abb/medical_abbreviations.htm
Dictionary of most used medical abbreviations.

589. Medical and Science Dictionaries
http://www.sciencekomm.at/advice/dict.html
science.komm's directory of links for those seeking an online science or medical dictionary or glossary.

590. Medical Dictionary
http://medical-dictionary.com/
Free searchable medical dictionary of health terminology from medicine and related fields.

591. Medical Dictionary Online
http://www.online-medical-dictionary.org
A free online medical dictionary search engine for definitions of medical terminology, pharmaceutical drugs, healthcare equipment, health conditions, medical devices, specialty terms and medical abbreviations.

592. Medical Dictionary Search Engine
http://medical-dictionary-search-engines.com/
Online dictionaries for information on drugs and general health with specialty searches for AIDS, cancer, diabetes and strokes.

593. Medical Spell Checker
http://www.medical-spell-checker.com/
Online medical spell checking reference.

594. Medicinal Chemistry
http://www.chem.qmw.ac.uk/iupac/medchem/
Glossary of terms used in medicinal chemistry recommended by the International Union of Pure and Applied Chemistry.

595. Mediweb Medical Dictionary
http://www.themediweb.net/
Information for research and education for health care academics, professionals and the general public.

596. Medspeak
http://www.geocities.com/~medspeak/index.html
Defines over 300 medical terms used in the television show ER, and has FAQ about the medicine used in ER. A handy reference for medicine.

597. MRI Glossary
http://fonar.com/glossary.htm
Glossary of MRI and general electrical and medical terms.

598. MT Desk
http://www.mtdesk.com/alpha.shtml
Medical and surgical dictionary.

599. Neuroscience Glossary
http://www.umds.ac.uk/physiology/daveb/brainday/glossary.htm
Some of the more common terms.

600. On-line Medical Dictionary
http://cancerweb.ncl.ac.uk/omd/
Searchable dictionary created by Dr. Graham Dark.

601. Oral Physiology Dictionary
http://www.eclipse.co.uk/moordent/glossary.htm
Dictionary designed to assist students studying oral physiology.

602. Perfusion Technology
http://www.musc.edu/chp-clin/ect/glossary.htm
Terms and acronym expansions for perfusion technology, open heart surgery and cardiology.

603. Psychotherapy Terms
http://www.mhaedu.org/tguidegloss.html
Glossary of terms from the 2001 edition of "Guide to Psychotherapists in Private Practice".

604. Sexually Transmitted Diseases
http://www.ashastd.org/stdfaqs/glossaryindex.html
Glossary of medical and scientific terminology relating to sexually transmitted diseases.

605. Spellex Medical
http://www.spellex.com/speller.htm
Online spelling verification and Pharmaceutical reference.

606. Terms Used in Time-series Analysis of Cardiovascular Data
http://www.cbi.polimi.it/glossary/Home.html
A glossary of terms used in the analysis of time series derived from cardiovascular data.

607. Veterinary Terms
http://www.spvs.org.uk/glossary.htm
Glossary of veterinary terms and acronyms from the Society of Practicing Veterinary Surgeons with further links to information on "Foot and Mouth Disease".

MEDICINE SOFTWARE

608. Psych Software Vocabulary Tutorial
http://psychdef.com/
Downloadable software with vocabulary tutorial on over 250 psychiatry and psychology terms. Runs under Windows 95/98/NT.

609. Multilingual Medical Spreadsheet Dictionary
http://www.interfold.com/translator/
Spreadsheet of medical and technical words in English with equivalents in Spanish, Portuguese, French and Dutch.

610. Medical Dictionaries and Spellcheckers
http://www.healthlink.com.au/welcome.htm
Medical spell checkers for MS Word, medical terms dictionaries, disease/treatment data reference.

611. Medical Abbreviations for Palm Pilots
http://www.medlists.net/Medical_Abbreviations.htm
A searchable database of common and not-so-common abbreviations used in medicine.

612. Medical Speller
http://www.medical-speller.com
Medical spelling software adds thousands of medical, pharmaceutical, chemical, and life science terms into Microsoft's Word spell checker.

613. Spellex
http://www.spellex.com/med1.htm
Offers spell checking software for numerous medical fields.

614. Medical Spell Check
http://www.free-medical-spell-check.com
Spell check medical terms with this free downloadable medical speller software tool.

615. XTerm
http://www.medical-dictionary.ro/
A searchable database that allows wildcards and logical operators, offered as freeware.

616. Medical Spellchecking Software
http://www.medicalspellchecker.com/
Utility for spelling medical terms with Microsoft and Corel word processors.

617. Medical Spell Checker
http://www.NoTypos.com/medw.htm
Medical terminology spell checker for Microsoft word processors.

MEN'S HEALTH

618. 4HealthyMen
http://www.4healthymen.com/
Guide to men's health from 4anything.com; Find a doctor, read fitness tips and learn about conditions that affect men.

619. Ask NOAH About: Men's Health
http://www.noahhealth.org/english/wellness/healthyliving/menshealth.html
Specific issues are discussed such as hair loss, impotence, plastic surgery, safe sex, stress and testicle self exams. Resource and many other topics of interest to men.

620. AskMen.com
http://www.askmen.com/fashion/how_to/index.html
Weekly How-to article on various topics relating to men and their everyday lives.

621. Australian Men's Health Network Home Page
http://www.ozemail.com.au/~irgeo/
The AMHN is a new resource for men and boys.

http://my.webmd.com/condition_center_hub/mhp
A consumer health information site regarding men's conditions.

NURSING

643. HealthWeb: Nursing: Resources
http://www.lib.umich.edu/hw/nursing/resources.html
Provides links to full-text online journals, links to nursing indices, publishers and audiovisual resources.

644. NurseLinx
http://www.nurselinx.com/
Index to current journal abstracts for general nursing and specialties.

645. NurseScribe
http://eNurseScribe.com/
Provides articles on clinical topics, writing, and professional development, and annotated links to writing tools, nursing theory, organizations, and specialties.

646. Nursing Journals on the WWW
http://www.sciencekomm.at/journals/medicine/nurse.html
Internet directory of links to nursing journals.

647. Nursing Online
http://www.nursing.iirt.net
Nursing resources page is a portal for nursing profession containing the links to practice, research, education, and professional organizations. Regional nursing around the world is also provided.

648. Nursing Resources
http://wwwlib.iupui.edu/subjectareas/nursing/nursing.html
From the Indiana University School of Nursing, links to recommended references, online journals, professional organizations, and other internet resources.

649. Nursing Theory Page
http://www.ualberta.ca/~jrnorris/nt/theory.html
Offers literature search tips, and links to sites, conferences and discussion boards.

650. The Virtual Nursing Center
http://wwwsci.lib.uci.edu/~martindale/Nursing.html
Online nursing and medical references, many links to online journals, dictionaries and continuing education courses.

NUTRITION

651. 99Diets
http://99diets.com/
Lists and reviews books, software, online resources, and popular diet programs.

652. A Gym Addict Site
http://www.gymaddiction.com/Nutrition.html
Information on basic nutrients and the digestion process.

653. Amino Acids
http://www.kinesin.com/
Descriptions and photos of essential acids.

654. Apple Promotions
http://www.applepromotions.com/
Serving nutrition and health professionals. Provides handouts for use in patient education, nutrition therapy, and seminars.

655. Arbor Nutrition Guide
http://www.arborcom.com/
Guide to nutrition resources on the Internet including food science, clinical nutrition, ancient diets, and functional foods.

656. Balance Your Nutrition
http://www.balanceyournutrition.com
Bioanalysis for better nutrition including hair mineral and cholesterol analysis. Also has health news concerning essential nutrients.

657. Body Composition Laboratory
http://www.bcm.tmc.edu/bodycomplab/
Material resource for measuring body composition (lean, fat, bone) for health and nutrition using medical physics techniques.

658. Cellular Nutrition
http://www.acu-cell.com
Includes scientific data related to intra cellular chemistry such as nutrition disorders, diets and MLM, and mineral ratios.

659. Child Care Nutrition Resource System
http://www.nal.usda.gov/childcare/
Includes news, resources, menus and recipes for day care providers participating in the Child and Adult Care Food Program.

660. CyberDiet.com: Nutritional Profile
http://www.cyberdiet.com/profile/profile.html
Personalized nutritional profile provides detailed information on your calorie intake and nutritional requirements.

661. Diet-Information.com
http://www.diet-information.com
Information about nutrition, diet, and eating disorders. Part of the ALtruis Biomedical Network.

662. Diets and Nutritional Analysis
http://nutrition-dietservices.com/evaluate.html
Analyzes food intake and calculates percentage calories and body mass index to determine if person is meeting nutrition requirements. Plans healthy meals and special diets.

663. Diondine
http://www.diondine.com
Nutrition shareware with downloads for estimating ideal weight, caloric requirements, and monitoring daily food intake.

664. Eat Right Kids
http://www.eatrightkids.com
Weekly articles on nutrition, food, and cooking advice to parents of infants, toddlers, as well as teenagers.

665. Eat Well Live Well
http://www.healthyeating.org/
Food, nutrition, and health resources for health professionals. Site contains interactive forums, databases, and surveys.

666. Energy Ent- Nutrition Industry Experts
http://www.energyent.com
Offers recipe analysis, consulting, cooking workshops, products, and nutrition education for the food and nutrition consumer.

667. FDA Supplement Guide
http://www.innerself.com/Magazine/Health/fda_guide_to_dietary_suppleme.htm
Provides information concerning FDA dietary supplements and labeling regulations.

668. Food is Medicine
http://www.foodismedicine.com
Consumer health information regarding the use of nutrition including foods, vitamins, and minerals to maintain your health.

669. Food Safety Research Information Office
http://www.nal.usda.gov/fsrio
Has online database of food safety research projects funded by government and new food products being tested for approval.

670. Garden and Health Portion control
http://www.gardenandhearth.com/Homespun_Kitchen/Food_for_health/dietary_intake/daily_allowance.htm
Discusses the correct serving size for portion control according to the USDA.

671. GHF Free Diet Plans
http://global-fitness.com/weight/w_book.html
Online weight loss book offers a safe alternative to low carbohydrate diet plans, promoting long-term weight loss and better diet fitness. Free diet plans, fat and calorie counter, meal planners.

672. Gnutrition.com
http://www.gnutrition.com
Articles regarding weight loss, blood sugar control, strength, sports, anti-aging, and use of herbal supplements.

673. Hardin MD: Nutrition
http://www.lib.uiowa.edu/hardin/md/nutr.html
Provides extensive links of Internet sources in nutrition, food, and consumer diets.

674. Health through Nutrition
http://healthroughnutrition.com
Offers diet analyses for over 100 nutrients with specific, personalized recommendations for making changes to achieve optimum health.

675. Healthvoyage.com
http://nutrition.healthvoyage.com
Alternative health, wellness, and nutrition information provided by Dr. Earl Mindell.

676. Healthy and Fit
http://www.healthynfit.com
Discusses issues concerning health and wellness, fitness, weight loss, and herbal therapy. Has newsletter and online E-zine.

677. Healthy Choice
http://www.healthychoice.com/
Healthy lifestyle information: Cooking tips and meal plans, plus fitness and exercise tips, and health news.

678. Healthy Eating for a Lifetime
http://www.metrokc.gov/health/nutrition
Nutrition and healthy eating information, including Recipe of the Week.

679. HealthyEating.net
http://www.healthyeating.net
Stresses promotion of healthy eating habits, many related articles.

680. Liv4evr.com
http://www.liv4evr.com
Your source for healthier living, vitamins and minerals, and slowing the aging process.

681. Metabolism and The Factors That Affect It
http://megspace.com/health/metabolism
Information on metabolism, nutrition, general health, and provides chart of daily needed vitamins and minerals according to RDA guidelines.

682. National Dairy Council Home Page
http://www.nationaldairycouncil.org
Offers information for both professional and consumers on the benefits of various dairy products.

683. New Nutrition Conversation
http://www.newconversation.org
Guide for health professionals to communicate effectively with consumers. Features nutrition articles, consumer research, an interactive presentation, and examples of consumer-tested messages.

684. Nutrawatch
http://www.nutrawatch.com
Features a free online food diary and calorie counter designed to help track calories, carbohydrates, fat, and protein for each meal.

685. Nutri-Facts
http://www.nutri-facts.com
Online database of food label nutrition facts from the USDA Nutrient Database for Standard Reference.

686. Nutrition and Food on the Web
http://www.sfu.ca/~jfremont
Gateway to food science and scientific nutrition for the general public and for health, food, and education professionals.

687. Nutrition and Protective Foods
http://members.tripod.com/~Doc_In_The_Kitchen/index.html
Dr. Clive Barnett discusses how certain foods improve health. Access to nutrition news archives and healthy recipes.

688. Nutrition Focus
http://nutritionfocus.com
Nutrition library with extensive information on topics such as vitamins, integrative medicine, minerals, diseases and conditions, life cycles, and gender health.

689. Nutrition for a Living Planet
http://www.diet-and-health.net/
Guide to food, nutrition, diet and health. Includes naturopathic remedies, as well as a vegetarian and vegan FAQ.

690. Nutrition Links
http://wvda.org/links/
Links to over two hundred nutrition and medical sites, from the West Virginia Dietetic Association.

691. Nutrition Matters
http://www.nutrition-matters.co.uk
Resource for advice on nutrition and health treatments by healthcare practitioners.

692. Nutrition Navigator
http://navigator.tufts.edu
Experts at Tufts University review and rank nutrition websites. Search by keyword or browse by audience or topic category.

693. Nutrition News
http://www.health-alliance.com/nutritionnews.html
Nutrition news, articles, healthy recipes and special diets from the Jewish Hospital Cholesterol Center.

694. Nutrition Onestop
http://nutritiononestop.com/
Information on the dietetic profession and finding careers in nutrition. Includes career center and referral network for dietitians.

695. Nutrition Wizard
http://www.nutrition-wizard.com
Creates personalized diets and nutritional programs to support weight training or exercise routine. Includes a nutritional data base of over 6000 foods.

696. Nutrition, Fitness, and Weight Loss Management
http://www.lifeclinic.com/focus/nutrition/default.asp
Nutrition guide, weight loss tools and diet analysis for healthy individuals as well as those with diabetes and hypertension.

697. Nutrition.gov
http://www.nutrition.gov/home/index.php3
U.S. federal guide offering access to all government web sites with reliable and accurate information on nutrition and dietary guidance.

698. Nutritional Supplement Guide
http://www.nutritional-supplement-guide.com
View charts and element-specific profiles illustrating use benefits, contra-indications, and adult dosages for calcium, iodine, niacin, and zinc.

699. Nutritional Therapy
http://www.nutritionaltherapy.co.uk/
Information on the treatment of ailments, illnesses, and medical disorders using diet and supplements to encourage the body's own natural defense mechanisms.

700. Nutritiously Gourmet
http://www.nutritiouslygourmet.com/
Recipes, cooking term glossary, food and nutrition pyramid calculations, and nutrition newsletter.

701. Online-Health-Fitness
http://www.online-health-fitness.com
Nutritional information, childrens' health, fitness tips, weight loss tips and recipes.

702. Optinutrition
http://www.optinutrition.ch/english/index_e.html
An educational site on nutritional, lifestyle, and environmental factors which influence women's, children's, and men's health and well-being. Includes references to current scientific research in biochemistry.

703. Oxygen - Nutrition and Diet
http://www.oxygen.com/topic/health/diet/archive.html
News and information, dietitian advice, vitamin guide and low-fat recipes.

704. Oz Garcia- The Balance
http://thecelebritycafe.com/interviews/oz_garcia.html
Interview with nutritionist Oz Garcia on topics of health, eating habits, nutrition, and supplement use.

705. Peak Performance - Nutrition and Exercise
http://www.peakperformance.on.ca
Variety of sports nutrition and education materials for research and education. Has articles relating to nutrients in foods, calorie needs, and question forum for Registered Dietitians.

706. Personal Health Information Site
http://www.personalhealthfacts.com
Links to many pages of information and articles concerning various personal health facts.

707. Scientific Nutrition Health Talk Radio
http://www.scientificnutrition.tv/
Health and Nutrition information from a radio program hosted by a biochemist.

708. Stop Labeling Lies
http://www.stoplabelinglies.com
Provides information and examples of false and misleading information on food labels.

709. The Diet Channel
http://www.thedietchannel.com
Nutritional articles, diet analysis and body mass index measuring tools, preventative and sports nutrition, numerous links.

710. The Diet Detective
http://www.dietdetective.com
Contains several nutrition related links including information about diabetes, cardiac, sports nutrition, recipes, and diet supplementation.

711. The pH Balance Evaluation
http://www.zphbalance.com
An alternative online self-help health, deficiencies and diet test to determine the foods and supplements that would best balance one's body chemistry.

712. Third Line Press Inc.
http://www.third-line.com
Publications that summarize current knowledge concerning the prevention and treatment of common illnesses with diet and natural medicines.

713. Web Dietitian
http://www.webdietitian.com
Has tools for calculating fat, carbohydrate, and protein intake online with nutrition products, guidelines, and news.

ONLINE DATABASES

714. ACTIS: AIDS Trials
http://excalibur.actis.org/
Information about current clinical trials for the treatment of acquired immunodeficiency syndrome and HIV-related conditions.

715. BioValidity
http://www.biovalidity.com
For health and nutrition information, evidence-based life science knowledgebase and access to the BioNutritional Encyclopedia.

716. CancerLit
http://www.cancer.gov/search/cancer_literature/
Bibliographic database containing more than a million citations and abstracts related to cancer from over 4,000 different sources.

http://www2.chemie.unierlangen.de/services/nciscreen/index.html
A tool for interactive analysis and visualization of the National Cancer Institute anti-tumor datasets. Contains 41,000 chemical compounds versus 155 cancer cell lines.

733. New Medicine:
http://oncologyknowledgebase.com
Database which includes new technologies and products in development against cancer. This is a subscription-based product.

734. OMNI
http://omni.ac.uk/
Searchable catalog of select evaluated health and medicine Internet resources.

735. Online Mendelian Inheritance in Man
http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?db=OMIM
Catalog of human genes and genetic disorders authored and edited by Dr. Victor A. McKusick and his colleagues at Johns Hopkins University and elsewhere.

736. Rxcentric.com
http://www.rxcentric.com
Provides access to comprehensive drug information with sample ordering, online CME, and treatment related news. Free subscription required.

737. Snow Tiger Medical
http://www.snowtigermed.com/
Medical Online review and database.

738. Vitalseek: Health and Medicine Search Engine
http://www.vitalseek.com
Indexes, rates and guides health searchers to evaluated websites and resources in selected medical areas, based on provided ratings.

PATIENT EDUCATION

739. A Guide to Medical Information and Support on the Internet
http://medguide.org
Covers medical chats, newsgroups, listservs, doctors online, Medline access, research tips, and comprehensive medical and health sites.

740. A Patient's Guide to the Internet
http://www3.bc.sympatico.ca/me/patientsguide/
A step-by-step guide for patients seeking medical information on the Internet : Covers References, Resources, Support Groups, Mailing Lists, Medical Terminology, and a Glossary.

741. Abayomi
http://www.abayomi.co.uk/
Information on how to be healthier.

742. AllAboutBlackHealth
http://www.allaboutblackhealth.com
Information on health related issues as they affect African Americans and other minorities at risk.

743. Allexperts Medical Q&A
http://www.allexperts.com/medical/index.shtml
Doctors, professors, and others in all major fields of medicine ready, willing, and able to answer your questions.

744. Anesthesia Patient Safety
http://www.anesthesiapatientsafety.com
Undergoing anesthesia can be frightening and intimidating without the facts. Find out what you or your child needs to know for a safe anesthesia experience.

745. Anesthesia Preoperative Preparation
http://www.anesthesia.wisc.edu/Clinic/Index.htm
Useful information on the preoperative preparation of patients for anesthesia and surgery.

746. Berlex Canada
http://www.berlex.ca/En/Berlex/pages/Index.htm
Provides health information on various topics such as menopause, contraception, acne, and multiple sclerosis.

747. Best Health Guide
http://www.praxis.md/bhg
Praxis MD. Provides patients with customized, practical medical information, and offers a 'doctor visit checklist' and recommended readings.

748. Case Health
http://www.casehealth.com.au
Enables the sharing of health success stories amongst the worldwide Internet community. Visitors can enter their own health success story (case study) or search the database for other health success stories all non-identifying.

749. Children's Hospital Medical Center of Cincinnati
http://www.cincinnatichildrens.org/family/pep/
Patient education information written by the nurses and physicians at Children's Hospital Medical Center of Cincinnati.

750. Complete Home Medical Guide
http://cpmcnet.columbia.edu/texts/guide/
Online medical encyclopedia. Includes commonly prescribed drugs.

751. Cooper Institute Virtual Patient Information Resource Center
http://www.cooperinstitute.org
Prepares consumers for their enhanced role as more active and assertive partners in the management of their health care through patient education.

752. CT Network
http://www.ctnetwork.net
Provides support for CAT Scan patients. Includes a message board for communication, descriptions, and links for all things CT.

753. Doc Trish Explains It All
http://www.askdoctrish.com
Receive translation of medical jargon and explanation of conditions or diseases by a family doctor, into plain English.

754. ECDOZIT
http://www.ecdozit.com
Motivation and resources for taking care of one's self, business, and community.

755. Enhancement, Inc
http://www.enhancementinc.com/
A nonprofit foundation whose purpose is to teach and disseminate material relating to health and/or wellness, through videos, publications, and lectures.

756. FamilyDoctor
http://www.familydoctor.co.nz
A growing database of over 600 articles and guides, covering 37 common medical topics. All articles, clearly and simply written with the patient in mind, are reviewed and edited by family doctors and specialists.

757. Good Health -- Healthy Lifestyle
http://goodhealth.freeservers.com/
This site is dedicated to convincing people to live a healthy lifestyle, to improve their quality of life, and avoid (or reduce the severity of) chronic disease.

758. Health and Medical Information
http://healthinfo2000.com
Medical and health information for health professionals, patients and families. Information about hospitals, diseases, injuries, health care, surgery and infections.

759. Health and Medical World Search
http://www.mwsearch.com/
A unique search engine that understands health and medical terminology, can query other search engines, and results in precise, targeted searches. It also remembers query history for registered users and provides a discussion forum, medical spelling and drug acronym tools.

760. Health Authority
http://www.HealthAuthority.com
Offers information on tobacco addiction, weight loss, cholesterol reduction and hypertension control.

761. Health Helper.com
http://www.healthhelper.com
Medical and health self-help information, covering conventional and alternative health.

762. Health Links
http://www.mirolka.com/health.htm
Links to health-related websites. Also articles on health issues.

763. Health Promotion and Disease Prevention
http://healthfullife.umdnj.edu
Developed by leading medical experts, these tests and actions, both medical and self-examinations, are the focal point of the Healthful Life Program.

764. HealthAnswers Inc
http://healthanswersinc.com
Developing knowledgeable, empowered consumers actively engaged in managing their own health. Learn to work with professionals, managed care organizations, employers, pharmaceutical, device and other healthcare companies.

765. Healthfinder
http://www.healthfinder.gov
A "gateway" website for health and human services information from the US Government. Health finder can lead you to selected online publications, clearinghouses, databases, web sites, and support and self-help groups, as well as the government agencies and not-for-profit organizations.

766. HealthScout: Personalized Health News For You And Your Family
http://www.healthscout.com
Personal and family health news, interactive checkups, medical encyclopedias, discussion groups, articles on drugs, diseases.

767. Healthtouch Online
http://www.healthtouch.com
A resource that brings together valuable information from trusted sources on topics such as medications, health, diseases, supplements, and natural medicine.

768. HELP - Health Education Library for People
http://www.healthlibrary.com
with many free online full-text books and magazines on health and illness.

769. How to Review Your Blood Test Results
http://www.amarillomed.com/howto.htm
Explains glucose, electrolytes, minerals, thyroid and others.

770. Lab Tests Online
http://www.labtestsonline.org/
Designed as a single resource where people can find up-to-date lab testing information vital to the understanding and management of their health.

771. Mayo Clinic Health Oasis
http://www.mayohealth.org/
Mayo Clinic experts provide current medical information and news on health topics.

772. MCare: Health at Home
http://www.mcare.org/healthathome/index.html
An online book covering a broad range of health topics, with questions to guide the reader as to whether the condition can be treated at home or should be checked by a doctor.

773. Med Grasp
http://www.medgrasp.com
A resource to relate personal experiences with cancer and other diseases. Read about symptoms, treatments, and procedures.

774. Medical Accidents Can Be Avoided
http://www.medical-accident.co.uk
A patient-led support web-site where information can be exchanged in complete confidence. Together reducing the risk for all. Free medical accident and stress support.

775. Medicare Tips
http://www.medicaretips.com
Dr Vijay Prakash provides the ideal window to access all health related information from the best resources on the net.

776. Medifocus Patient Research Guides
http://www.medifocus.com
A unique new Internet health resource. Covering over 220 conditions, for consumers and families facing chronic or life-threatening medical diseases. Free sample Guides are available.

777. MedInfo - Patient Information
http://www.medinfo.co.uk/
MedInfo provides accessible and easy to understand information for patients on common ailments and medical questions.

778. MedTech1
http://www.medtech1.com
Source for medical technology information. Descriptions of over 500 conditions, procedures, and diagnostic tests. Medical technology forums, innovations, and news stories.

779. Millennium Health Publications
http://www.millenniumhealthpub.com
Fitness prescriptions for the prevention and management of chronic disease for the adult and senior population. Professional and patient education resource.

780. My Healthy Life
http://www.myhealthylife.com
A free online resource for people with chronic disease, which helps users monitor their health and improve understanding of their diseases.

781. NetHealth Online.Guide
http://www.netdoctor.com
A comprehensive guide to health on the Internet, with reviews and links to hundreds of online resources.

782. Patient Medical Assistant
http://www.sparks.org/pma/
Dr. Michael Cole's quick and simple guidelines for common medical problems.

783. PreOp.com
http://preop.com
Offers patients animated videos, graphics, and medical illustrations as explanations for the most common surgical and diagnostic procedures performed in the US.

784. Radiotherapy Side Effects
http://www.salu.net/sites/r/rtsideffects/
Information about radiation therapy side effects. Suggestions on management.

785. Society of Radiologists in Ultrasound
http://www.sru.org/exams
Describes what the various types of ultrasound examinations can tell your doctor, how to prepare for your examination, and a description of the procedure.

786. Spotlight Health
